Dear Mr. Principi:

On behalf of the officers and members of the National Amputation Foundation, I want to extend to the Disabled Veterans' LIFE Memorial Foundation, our full support in your efforts to establish the American Veterans Disabled for Life Memorial in Washington DC.

We well know that for many veterans returning home from military service marks the beginning of a life-long struggle with disabilities, as well as for some that will suffer the effects of loneliness, depression and isolation.

We support the memorial to ensure that our nation honors our disabled veterans, who have given so much to preserve our way of life.

Sincerely yours,
