### *Commission Action*

The Commission:

**Approves** the final site and building plans for the American Veterans Disabled for Life Memorial, in southwest, Washington, DC, as shown on NCPC Map File Number 1.72(73.10)42595.

**Commends** the applicant for a design that will be universally accessible by all people who visit the site including persons with visual and hearing impairments.

**Notes** that according to Public Law 109-396, the Federal and District of Columbia Government Real Property Act of 2006, the final design of the south parking is subjected to the approval of the Architect of the Capitol. If the design changes as a result of this approval, the applicant must resubmit the project for Commission review.
