Dear Rick,

Congratulations! **Military Support Groups of America** is pleased to inform you that your Universal Application Form has been accepted by our federation. Your organization will be included with the **MSGA** membership list submitted to the Combined Federal Campaign for Fall 2012. This acceptance is conditional pending CFC's final approval of the federation's list.

If you sent a second application to the U.S. Office of Personnel Management or to another national federation for the Combined Federal Campaign please notify them by fax (OPM's fax number is 202/606-5056) that you are withdrawing your backup application in favor of this acceptance. Failure to do so can result in OPM removing your organization from the published national list.

Thank you for applying, and we look forward to a successful 2012.

Sincerely,

Martin Boire  
Vice President
