The Disabled Veterans' LIFE Memorial Foundation, Inc. was created in 1998 through the combined efforts of philanthropist Lois Pope, foundation chairman; Arthur Wilson, national adjutant of the Disabled American Veterans; and the late Jesse Brown, former secretary of Veteran Affairs. Formed as a 501(c)(3) non-profit, the Foundation's sole objective is to raise the estimated \$81.2 million in private funds needed to design, build and permanently maintain the nation's first memorial dedicated to living and deceased disabled veterans – **The American Veterans Disabled for Life Memorial**. Commanding an impressive two-acre site between Washington Avenue SW, C Street SW and Second Street SW, the Memorial will be within full view of the United States Capitol, adjacent to the National Mall, and across from Independence Avenue and the United States Botanic Garden. Soon, thanks for the efforts led by the Disabled Veterans' LIFE Memorial Foundation, Inc., and supported by veterans as well as concerned and generous citizens and corporations, these soldiers will have a permanent memorial in the nation's capital that will pay tribute to their sacrifices.
